

VOLUNTEER OPPORTUNITIES FOR KIDS

x x x x x x x x x x

We need a lot of stuff to keep our animals happy and healthy! Check out all the ways you can help us help them.

Foster an Animal

If you want to interact with our animals, then fostering is the way to go! Our staff can match your family with a dog, cat, or bunny who is a good fit for your home. We provide all the supplies you need, and you provide love and care until the animal gets adopted!

- ✦ Apply at friends4life.org/foster

Be a Party Animal

Host a “party with a purpose” for your birthday! Instead of regular gifts, you can request that your friends and family bring gifts for the shelter animals at FFL. They can check out our wishlist for the stuff we really need, or they can bring monetary donations. Who knew you could help animals by partying?

- ✦ Check out our wishlist at friends4life.org/wishlist

Organize a Food Drive

Our animals eat a LOT of food – and treats! You can organize a food drive for them by asking your friends, family, neighbors, and classmates to donate. You can even do it as a class or community project!

- ✦ Check out our wishlist at friends4life.org/wishlist to see the type of food and treats our animals currently need.

Host a Lemonade Stand

Who doesn't love a cold glass of lemonade on a hot Houston day? Especially when the money raised goes to helping homeless animals! If lemonade isn't your thing, you can tune into your inner entrepreneur and come up with your own fundraising idea.

- ✦ You can drop off your funds at 107 E 22nd St Houston TX 77008, or donate them online at friends4life.org/donate

Make Warm Houses

It gets cold during the winter, especially for community cats living outside! We put out hundreds of warm houses every year for them, but it takes a lot of work to build them all. You can help by building some warm houses and putting them out for community cats in your neighborhood. Or you can give the warm houses to us and we'll find a good place for them to go!

- ✘ See how it's all done at friends4life.org/project-warm

Make Thank You Cards

From donors to fosters to volunteers, we have a ton of people to thank for helping our animals! Help us show our appreciation by making thank you cards for us to give out. There's no wrong way to make them - let your creative spirit shine!

- ✘ You can mail in or drop off your cards at **107 E 22nd St Houston, TX 77008**

TNR the Community Cats in your Neighborhood

What is TNR?

TNR stands for Trap/Neuter/Return.

TNR-ing our community cats makes sure they are healthy, and that shelters don't fill up with new kittens every year. TNR-ing is a big project, but it is one of the best things we can do for animals!

- ✘ We have tons of resources to help you at friends4life.org/fixhouston

Host a FFL Speaker at your School/Group

Do you have a school group or community group who want to learn more about shelter animals? We can speak about many topics and at any grade level.

- ✘ Email our Outreach Coordinator at alese@friends4life.org to schedule a presentation

**"No act of kindness, no matter how small, is ever wasted."
